The Apostle Paul wrote these words to the church in Corinth, a community deeply divided by cliques, jealousy, and people fighting over who was the "most important." To fix this, Paul used the metaphor of a human body to show that God intentionally designed everyone with unique talents.

"But in fact God has placed the parts in the body, every one of them, just as he wanted them to be. If they were all one part, where would the body be? As it is, there are many parts, but one body."

1 Corinthians 12:18-20

Valued

You are worth more than you could ever imagine.

Q

Who is someone you value in your life?
Why do you value them?
What makes them important to you?

A

Your life has immense value, God loved the world so much that He gave His only Son, Jesus to rescue everyone. This means your worth isn't earned by what you achieve or how perfect you are; rather, you are **priceless simply because you are deeply wanted and valued** by God.

"For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life."

John 3:16

A

Q

What 3 words would you use to describe yourself?

A

Psalms 139 was written by King David as a personal prayer and poem celebrating how intimately God knows every human being. David wrote it during a time when he felt overwhelmed by his enemies and his own flaws, finding comfort in the fact that God is everywhere and knew everything about his life.

"For you formed my inward parts; you knitted me together in my mother's womb. I praise you, for I am fearfully and wonderfully made."

Psalms 139:13-16
